In the serene
expanse of our
vast universe
a terrifying
story is
about to
unfold...

GOGORA DODORA

日野日出志

Oh wow!
It's
Saturn...!!

.....

This is
so amazing!!

Check it out! You can see Saturn!

Oh... Hi Fuko.

Hey Haruhiko! Staring at the night sky again?!

Ah! No! Don't move it!

Let's see...

What?! Really?!

I can't see Saturn at all...

Oh, I...

Of course not! You moved it!!

Hey!!

I'm really sorry...

I had just finally found it!

Oh for crying out loud!

I swear, I'm never showing you again!!

Great! It's hopeless! I can't find it at all!!

Well that's not the point! You shouldn't talk to me like this!

The telescope you say?!

Well... The fault is with the telescope!

Oh shut up would ya!!

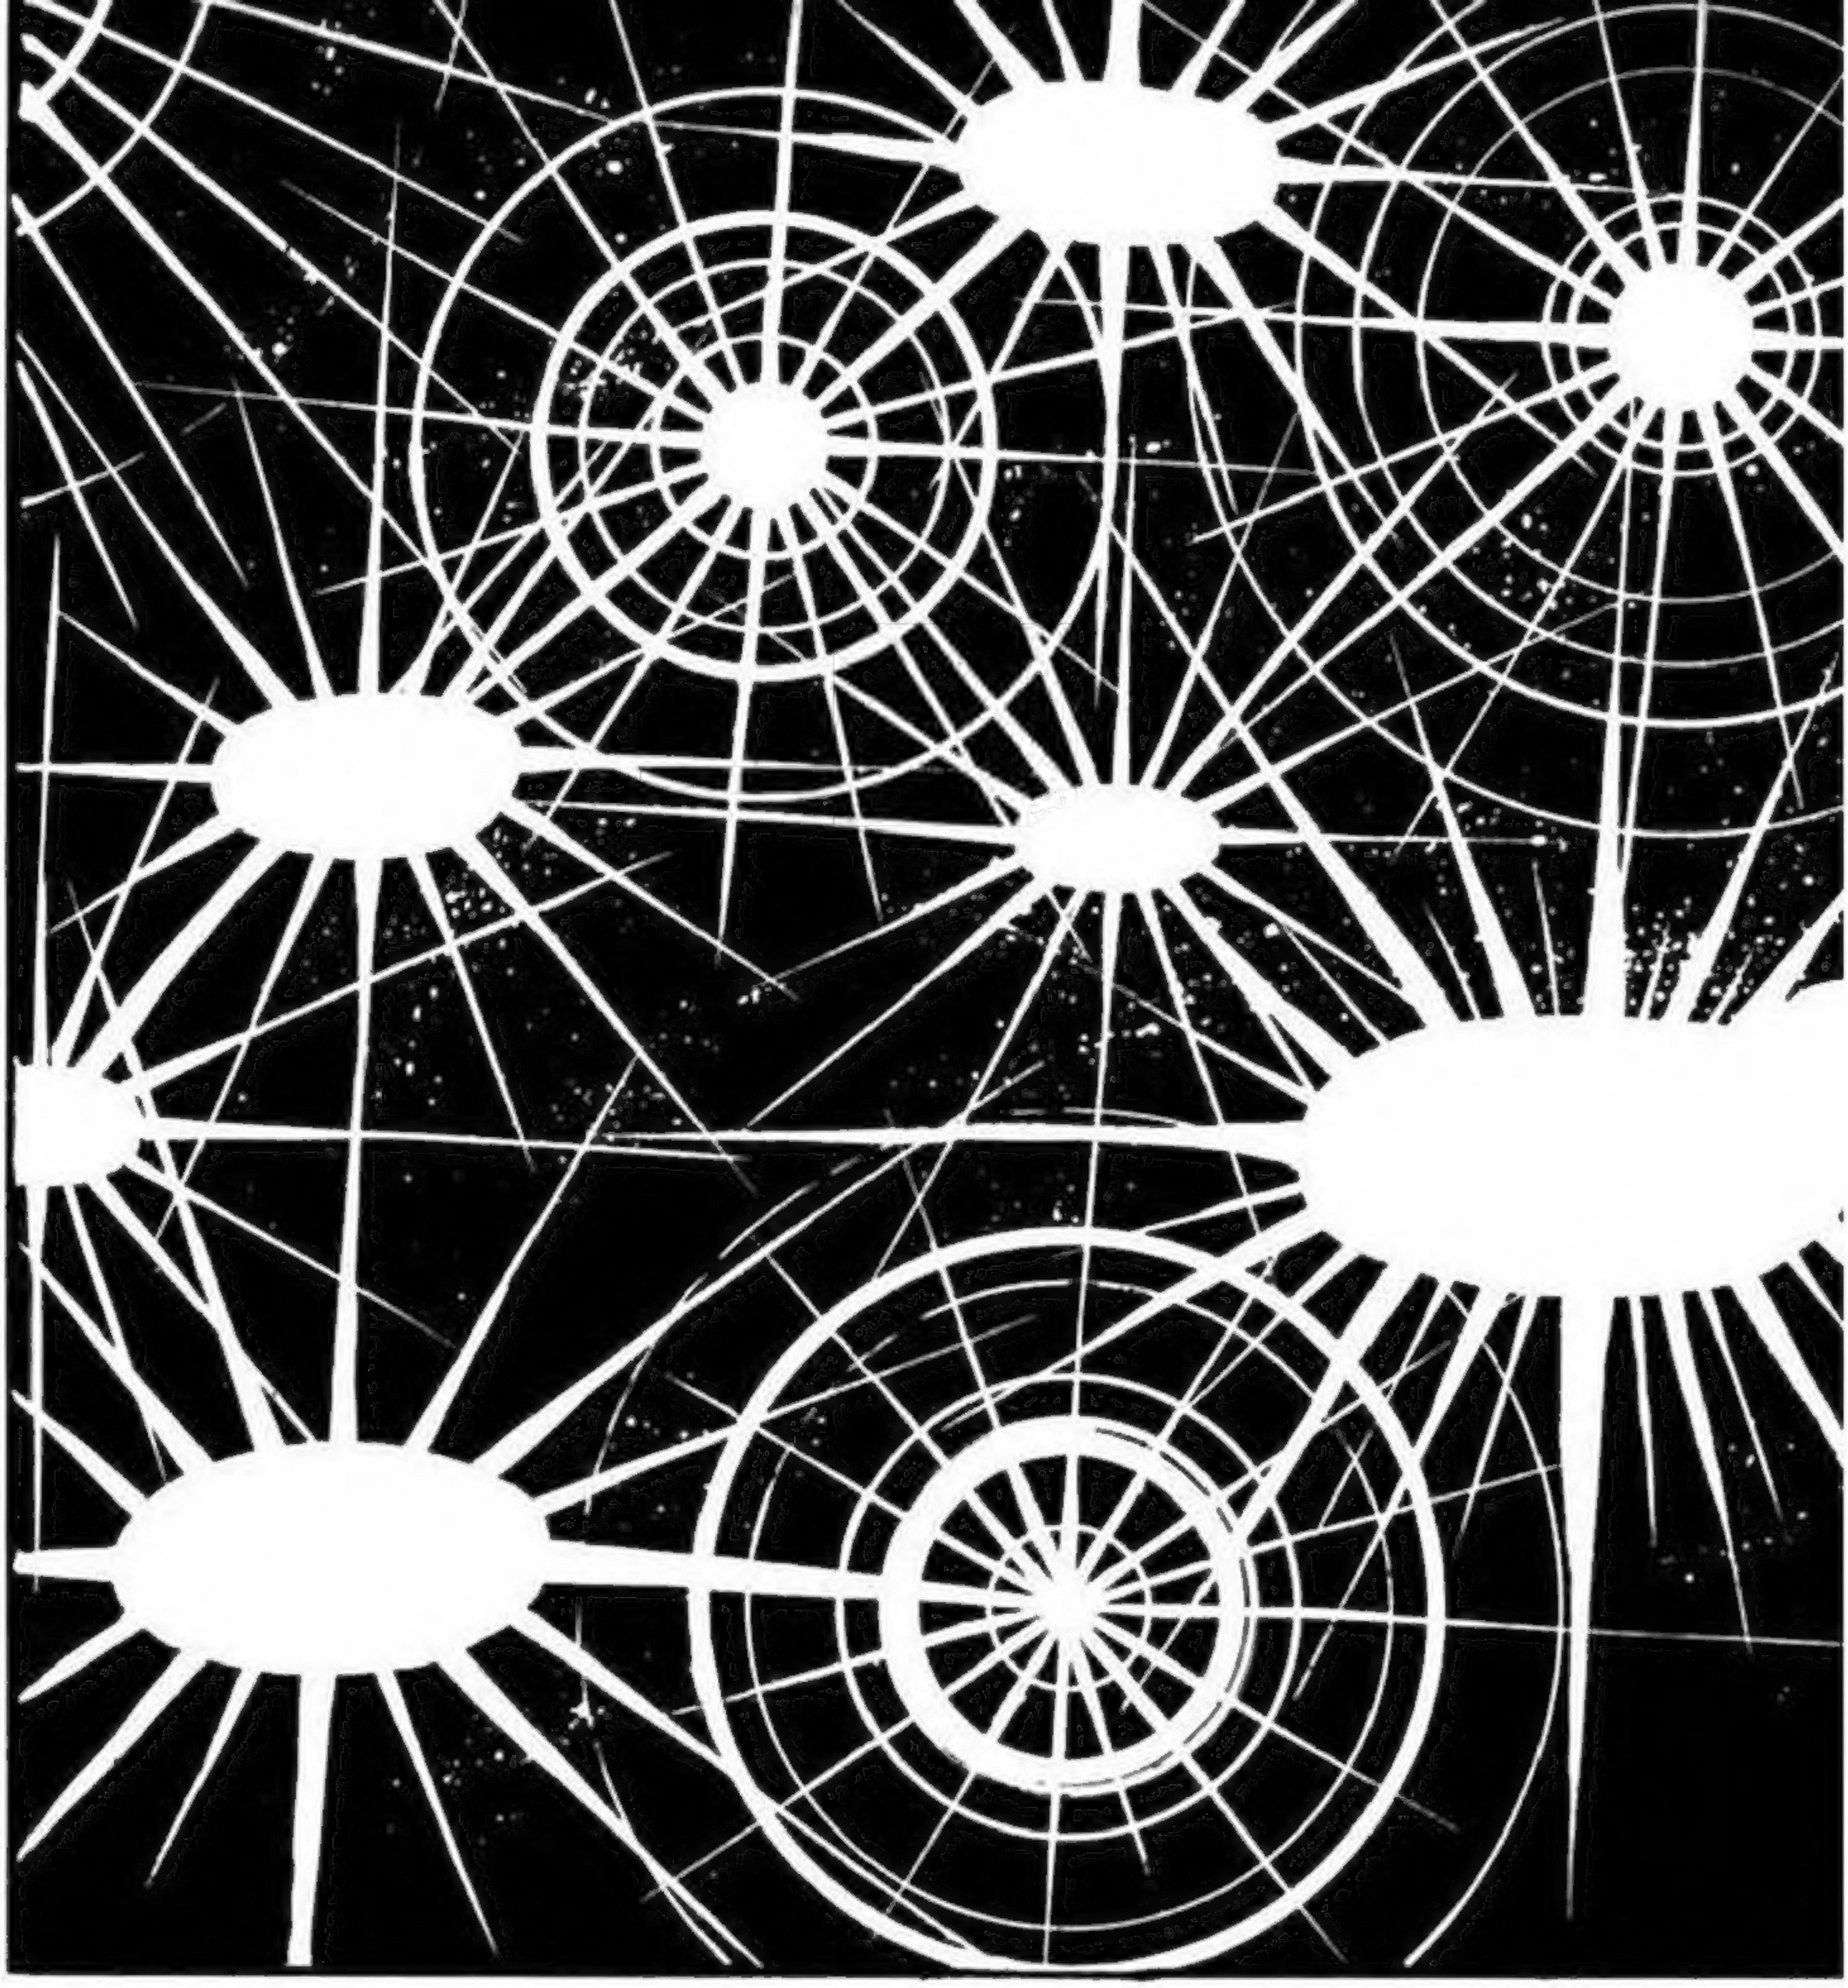
Hmph!!

Anyways, I don't even want to see it!

Ohhhh...!!

Look... Look at that!!

What now?!



Are they UFO's?!
What on earth could it be?!

It's so blinding!!

Oh...The lights are getting brighter!

Huh?!

They vanished into thin air!

They...

.....

I guess I'll go back in now...

Well... I...

Don't you want to be the worlds next great astonomer?!

Why are you acting like such a sourpuss?!

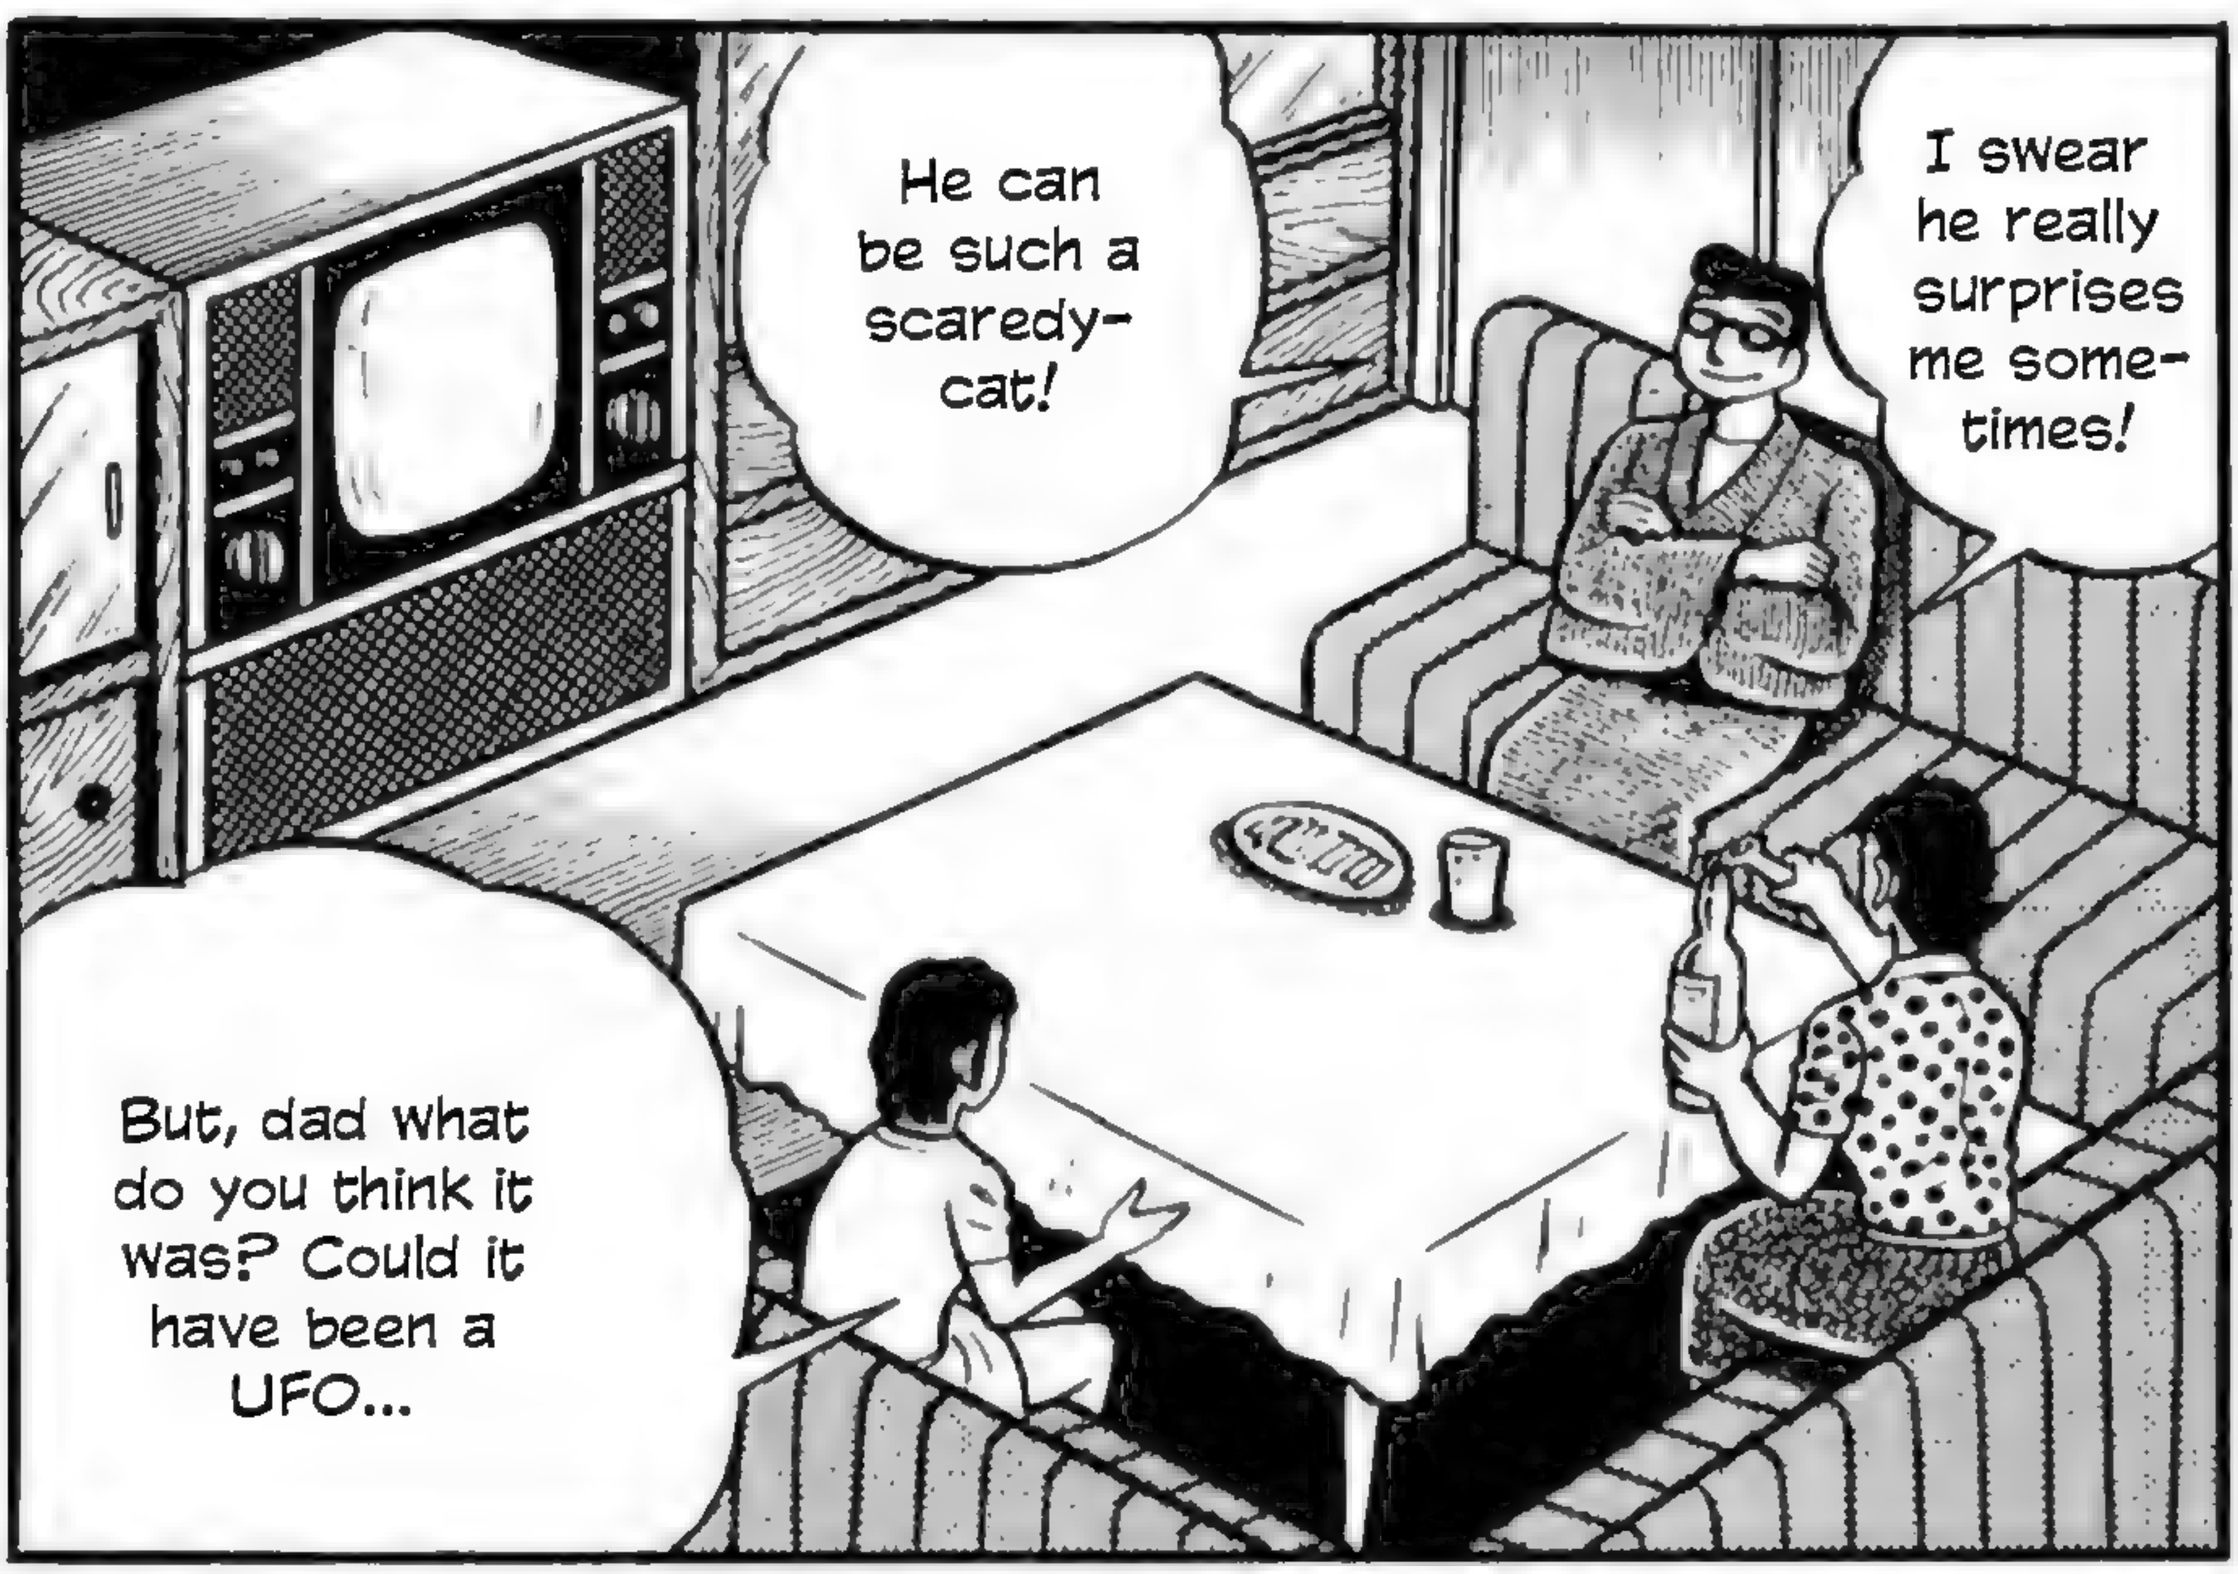
Well, I got some homework to do!

This is the prefect moment to do some research!

Hmph! Unreal!

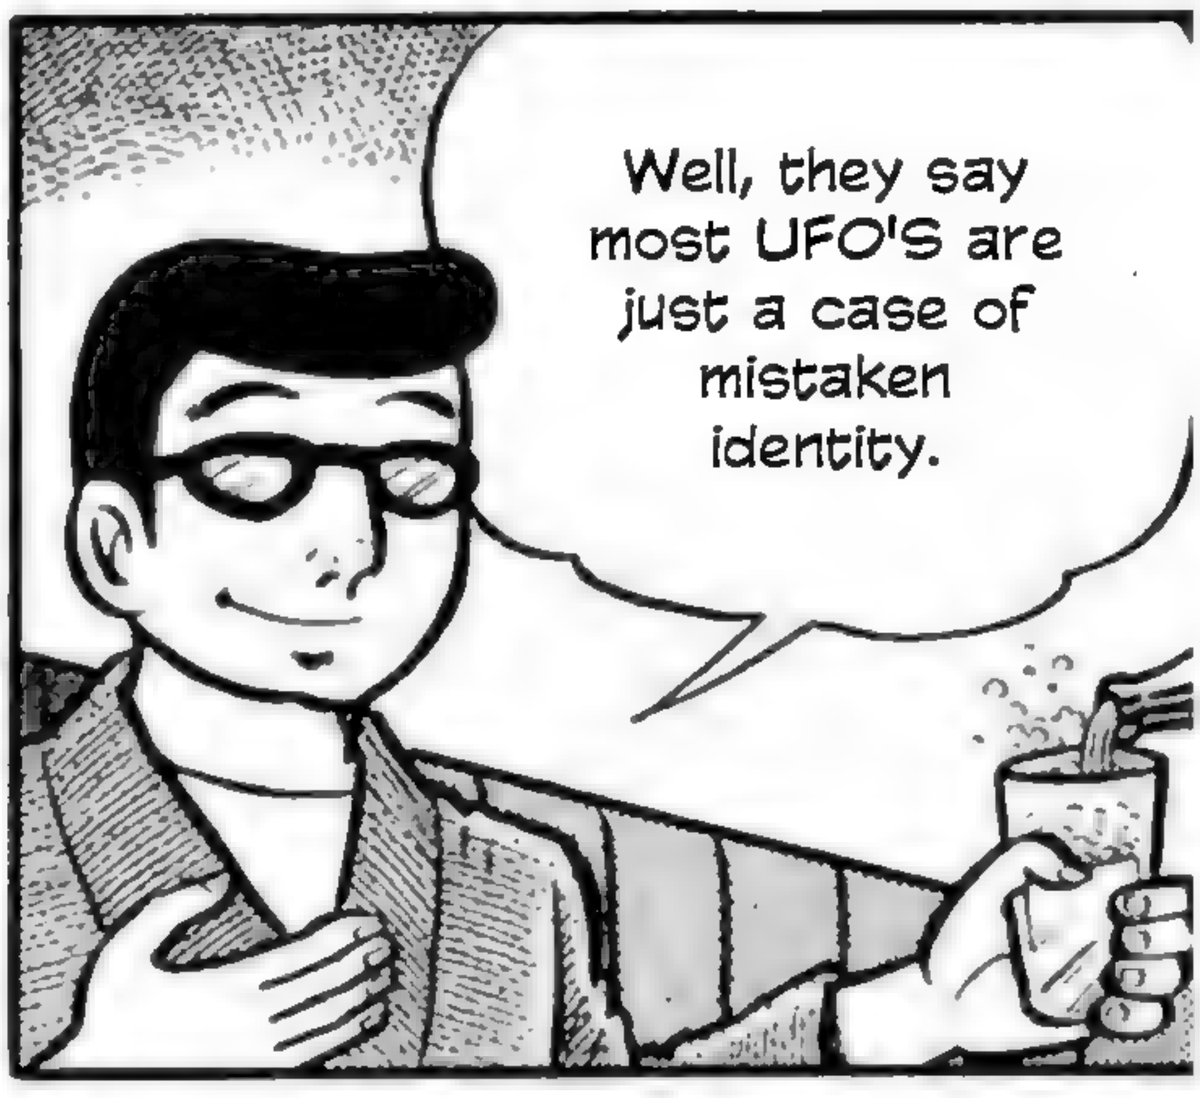
Good-night...

Ha Ha Ha Ha
Ha Ha...



He can be such a scaredy-cat!
I swear he really surprises me some-times!
But, dad what do you think it was? Could it have been a UFO...

It was probably just some car lights or something.



Well, they say most UFO'S are just a case of mistaken identity.

Hey, hey! That's enough chatter, it's time for you to hit the hay!

It had to have been a UFO!

No way!

Whoops! I did it again!

Now what kind of back talk is that?!

Pardon me!

Bah! Adults have no imagination at all!

Ha Ha Ha Good night...

You're such a handful!

Good night! Sweet dreams!

I don't know...

.....

Maybe it was just some car headlights...

.....

But, I really thought it was a UFO.

The mysterious light that Fuko and Haruhiko witnessed that night was indeed an omen of a terrifying event that was about to unfold.

Uh....

もも

もも

.....

Hmmm...?

Whoa! What's that?!

AH!

What the heck is this?!

What on Earth?!

Huh?!

My God!

There's a forest suddenly growing outside the house!

Is this really happening?!

What's that sound?!

What the...

I'm scared!

It's growing in here too!

Huff

Pant

Haa...

Mom! Dad!

AHH!!

Craaaaarrr.....!!

Yaaahhh!

What is going on!?

Huff huff...!

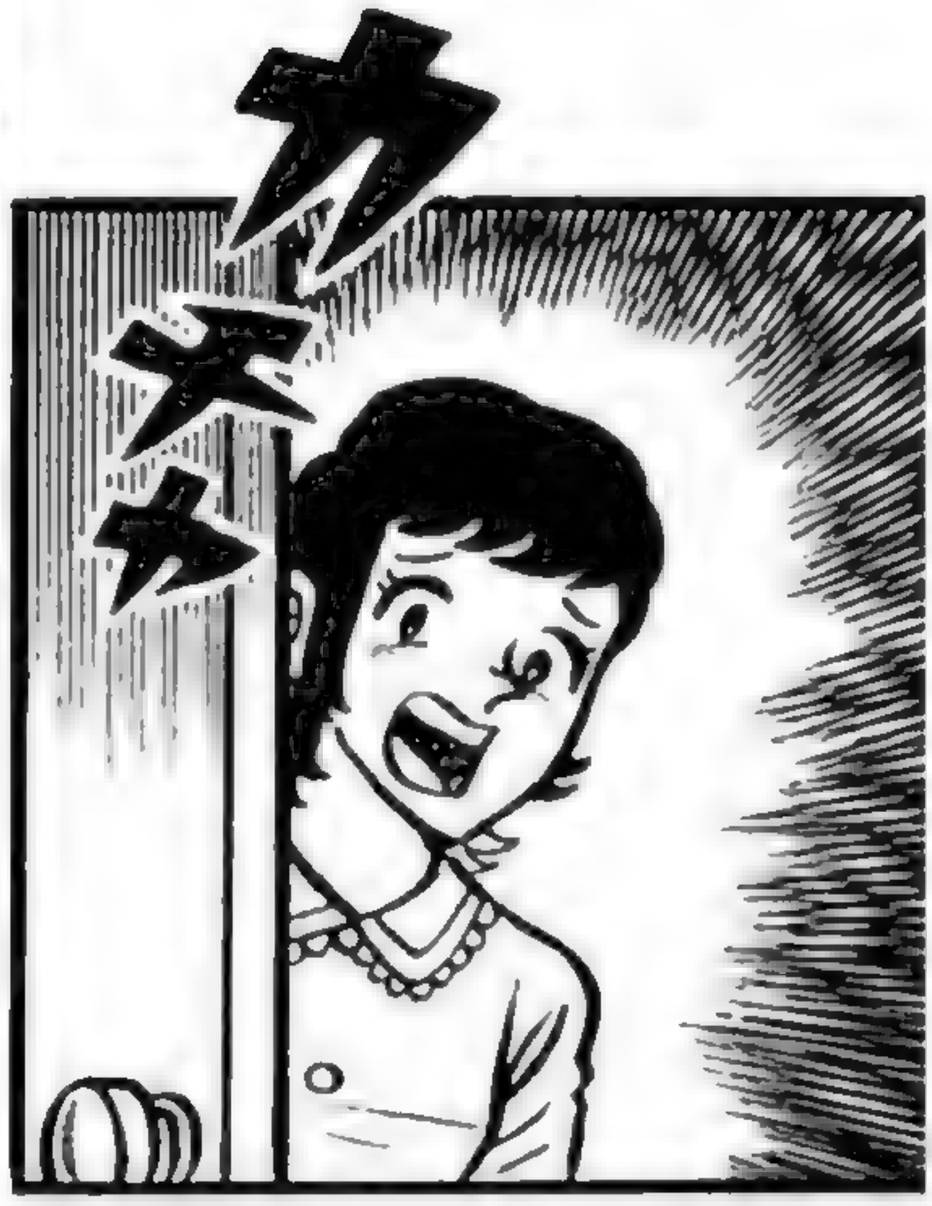
Huh?!

.....!!

Open up!
It's me!

Oh!
Haruhiko!

W...
who's
there...?!



Thank God! I'm so scared!
What uncle and auntie are here too!?

Where's your parents!
Fuko your face is as pale as a ghost! What's going on?!

Mom and dad's room has turned into a desert!
Well... they...

What in the world?!

Oh my!

OK... I'll go in and have a look!

I'm...so scared!

Ah!!

Kwaaa...!!

OH!!

What! What kind of bird is that?!

EEK!!

This is bad! There's so many of them!

Whaaa!!

Dear!!

Hurry!
Run!
Get out
of here!!

CAAAWWW!

Yikes!

Phew! I'm fine, it's all OK now.

Dad..?

Oh, it's nothing... just a little scratch!

What!? You're bleeding!

What?!

Oh no...!

There's something in there!

Let's hurry over to my house. Come on let's go!

We can't stay here! It's too danger-ous!

It looks like it's just our two houses that are left... everything else has turned into a forest.

I have no idea what on Earth is going on...

I wonder if it has something to do with those strange lights me and Fuko saw last night?

Yes... I'm very worried too...

I'm just really worried about my mom and dad...

I don't know...

The water, gas and electricity don't work, so I can't make anything too fancy...

Fuko, do you want something to eat?

Yeah, honestly me either...

No thanks... I just don't have an appetite right now...

I can't face all this in my pajamas.

I really think I should go back home and change clothes...

If you don't mind you can borrow something from Haruhiko. I'm sure it'll fit perfectly.

No, it would be way too risky to go back.

I'm sorry...

Come with me Fuko and we'll get you something.

Ah...

Huh?

Haruhiko, I'll just borrow it for a bit!

Hahaha...

I... Um...

By the way, tell me about the strange lights you both saw last night...

What?!

What's going on?! What's that noise!?

Look over there!!

Look!
Look at
that!

Wha... What could it be?!

OH!!

I don't get what's going on!!

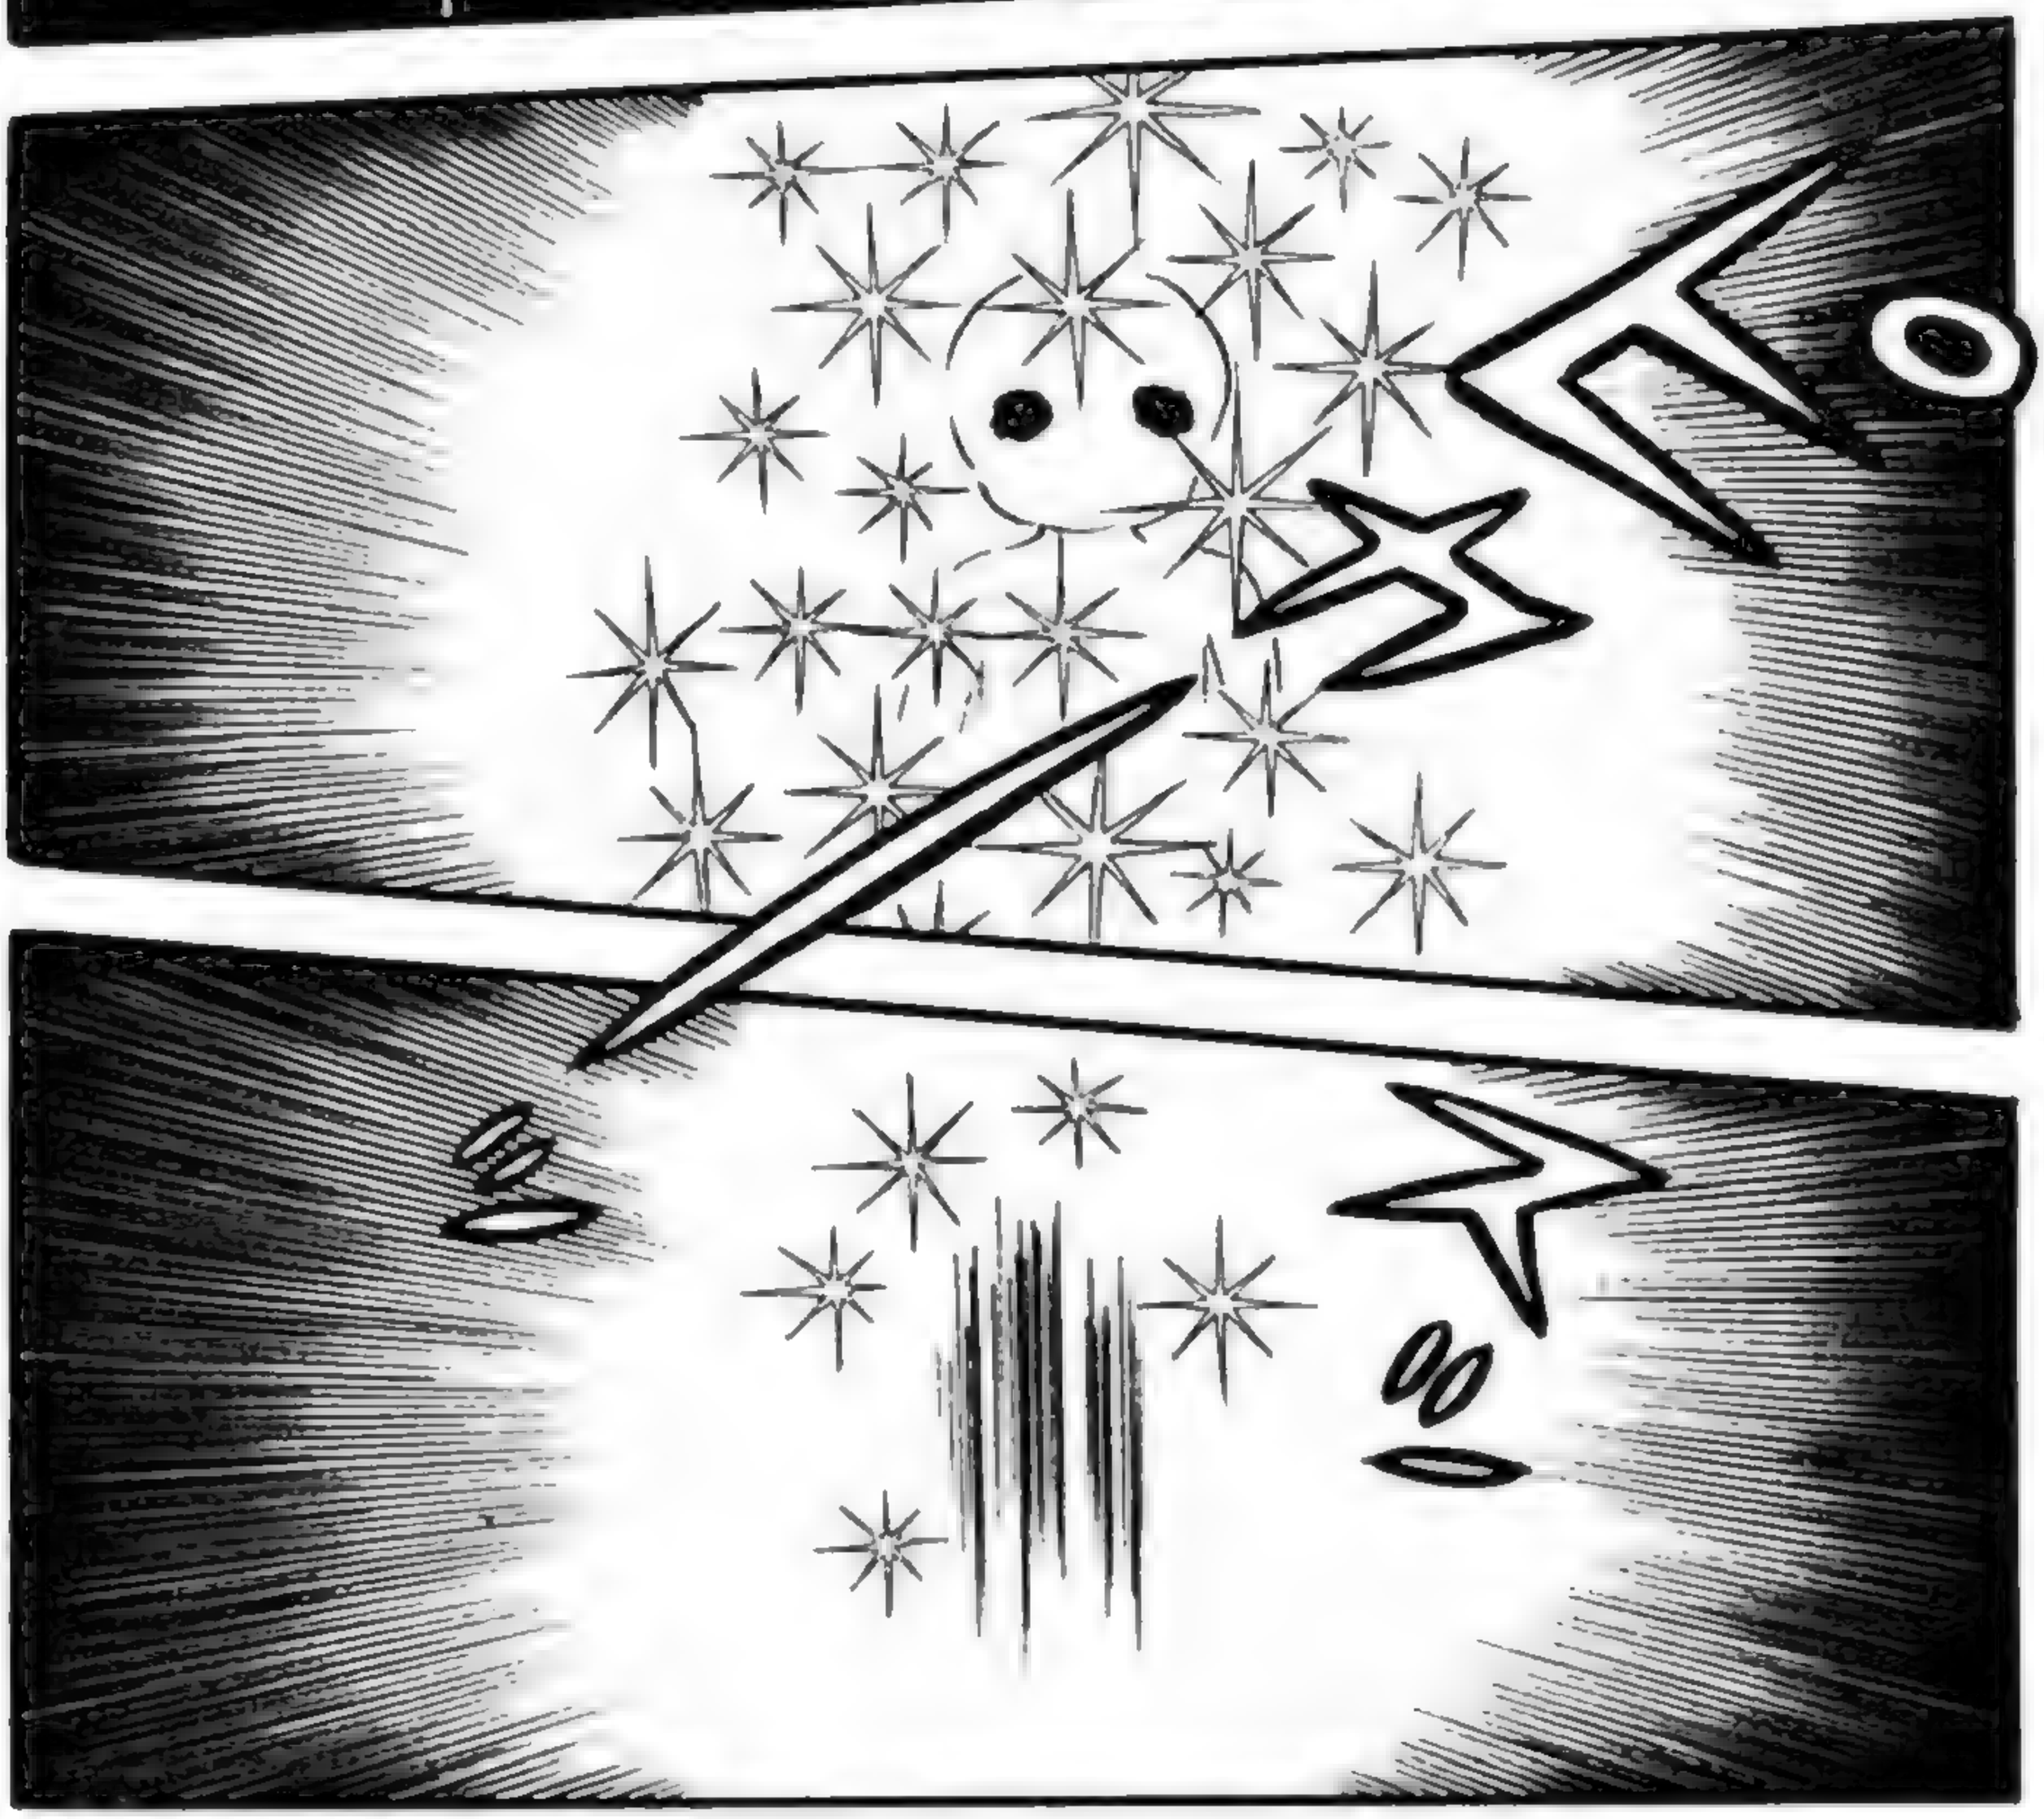
Is that an alien?!

It's coming this way!!

Careful everyone!! It could be dangerous!

mo mo

It looks like it's weakened...
I think it might be hurt!



AH!!

Huh!?

Oh...!!

AHHH!!

I am from the Domur star system, from the 6th planet in the Modgar Nebula.

Please, don't be afraid...I I will not harm you...

M... Modgar Nebula?!

Huh?!

You are on Earth!

What planet is this?

Why did you come here?

I hoped so!

Right now an extraordinary event is unfolding in the universe...

I have come here on a specific mission...

And the shockwave has torn rifts through the fabric of space!

The Gumura nebula has exploded...

A terrifying cosmic tsunami is spreading through space!!

A cosmic tsunami?!

And what will happen to Earth?

Indeed... Through all space, time and dimensions...

Everything is becoming distorted!

I can't imagine what will happen here!

I don't know...

huff

pant

huff

pant

pant

pant

Oh No!

Tell, me why did you come here?!

Are you OK?!

Hold on!

You must save...

A...a crisis in the universe...

huff

Can do it...

You...

pant

What!? But how can we?!

huff

How to do it...

You will find...

Tell me...

Legend?!

In an ancient legend...

Dodora...

pant

pant

Gogora...

カ

ッ

It's dead!

AH!

...

...

...
What a strange turn of events!

What is a cosmic tsunami?!
Dad...

What on earth, is going to happen next...?
I don't know... I've never heard of it before...

Ah!!

The forest is gone!! All that's left is a desert!!

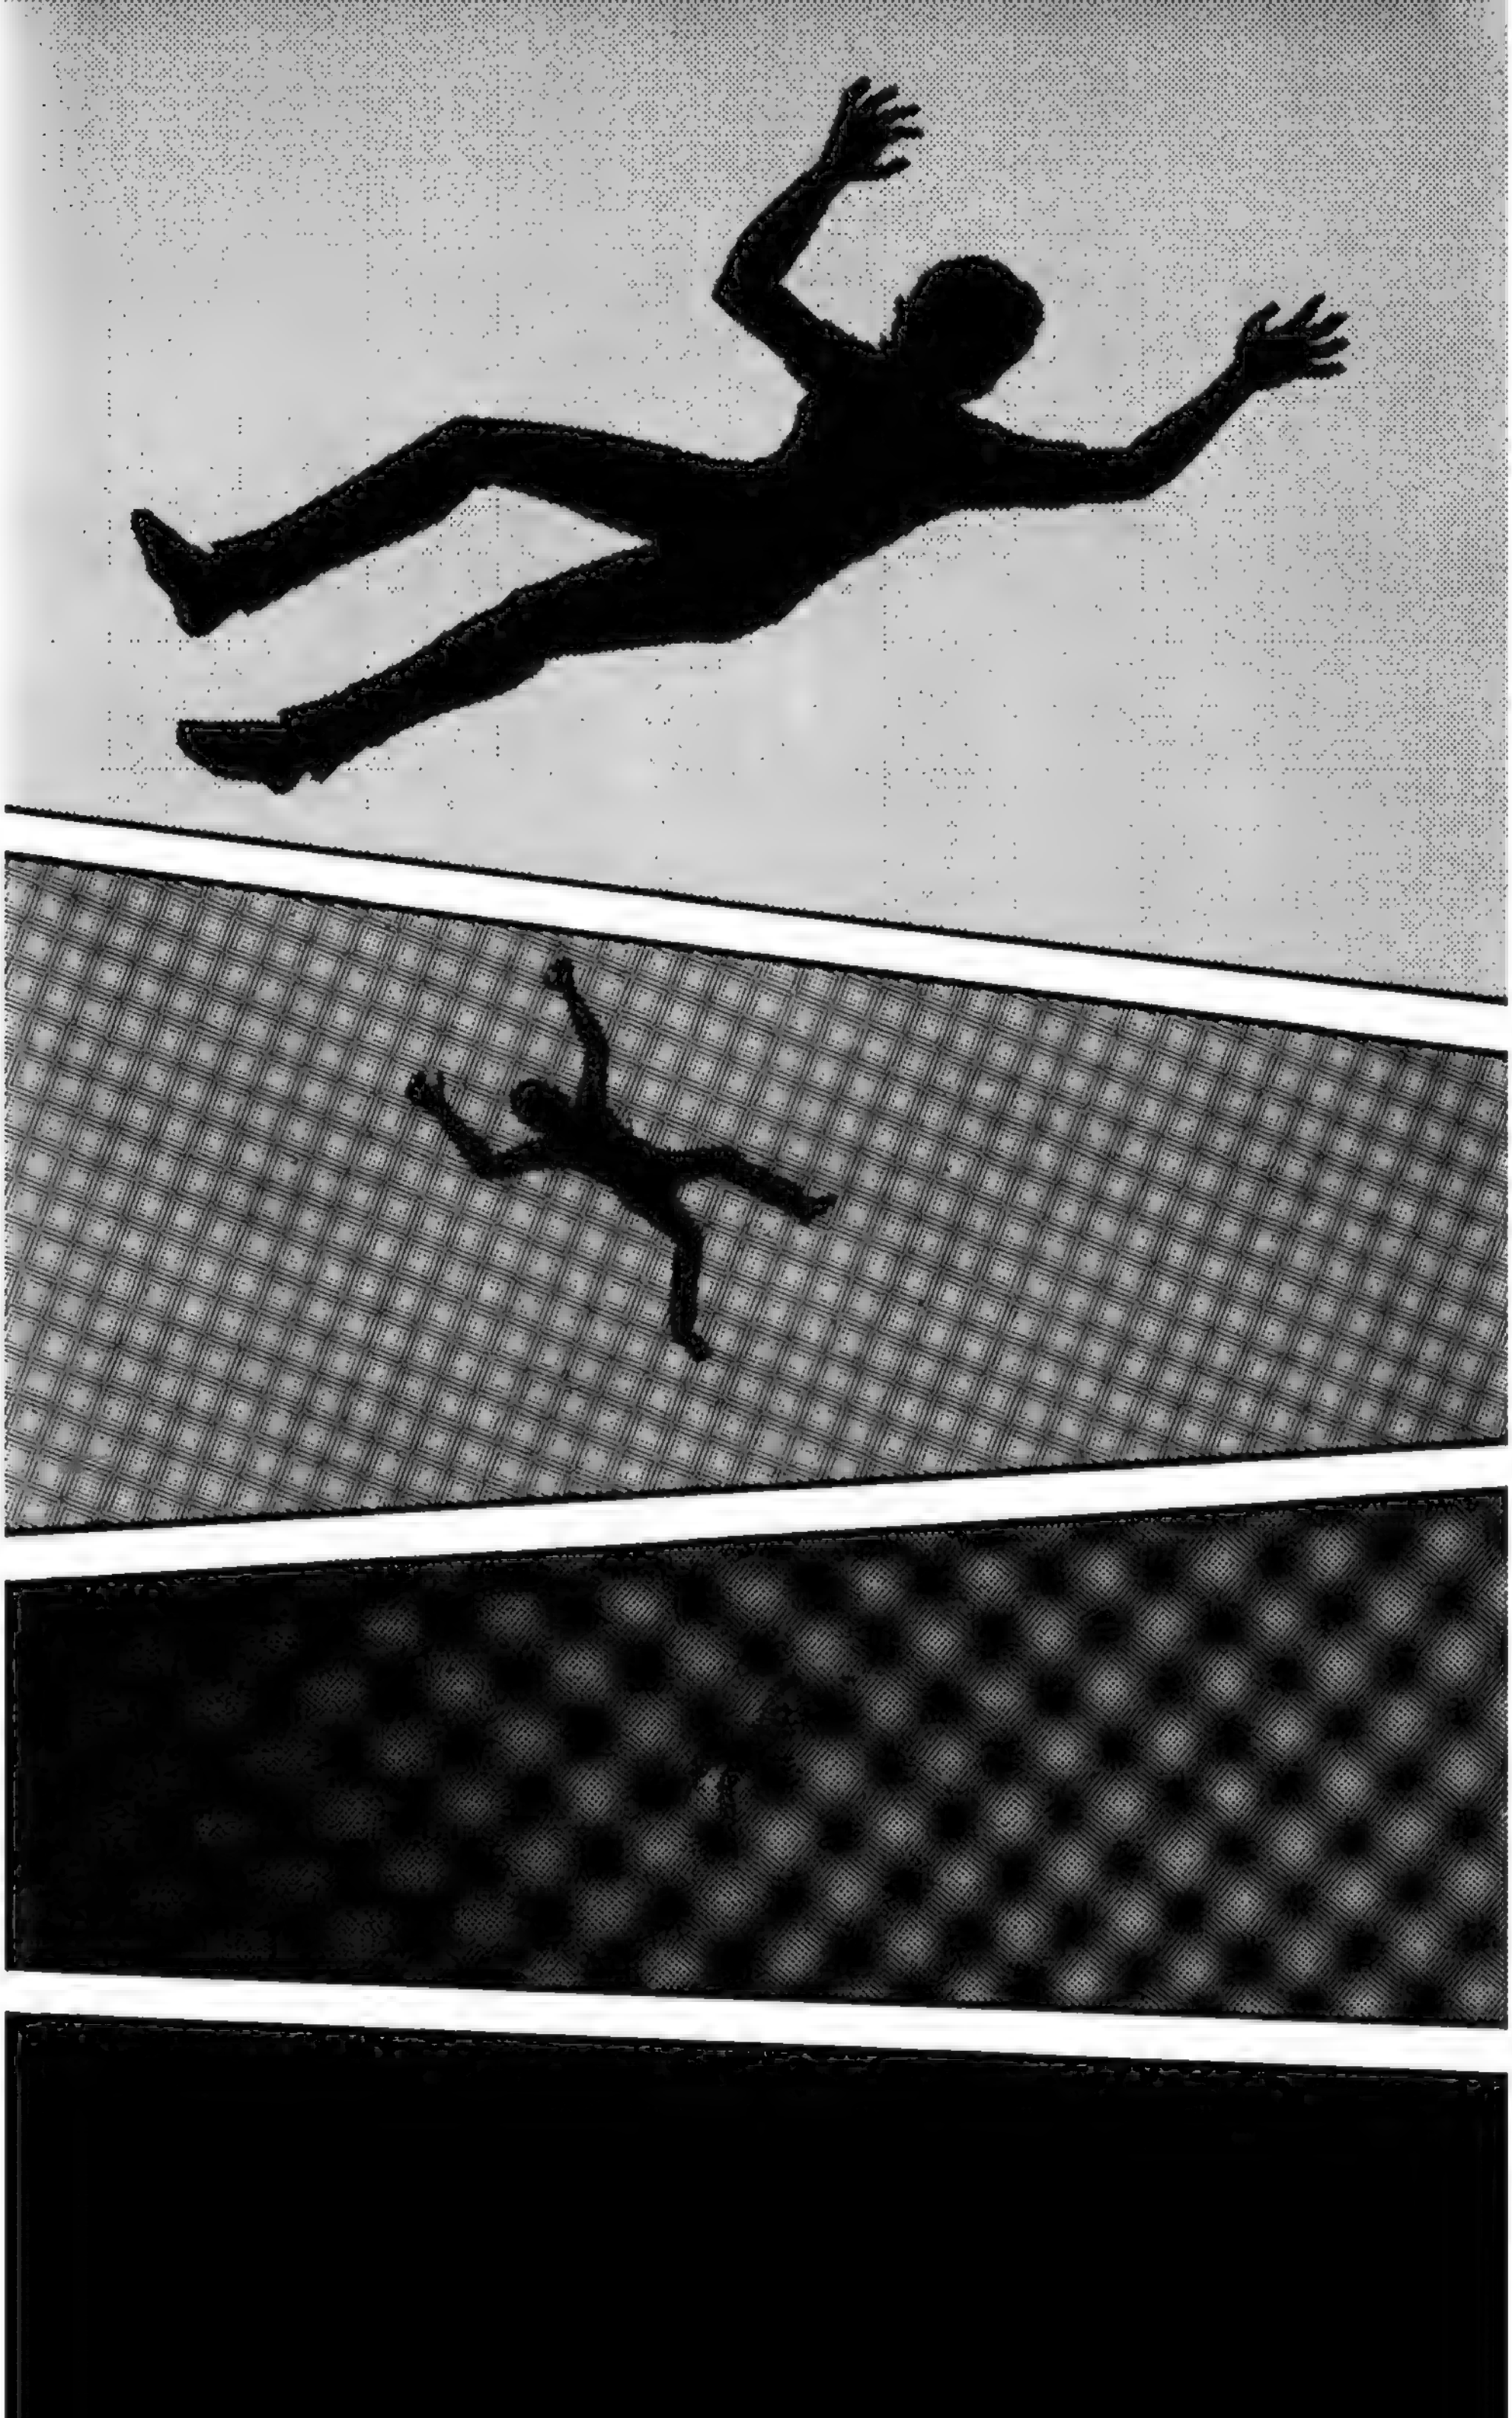
ゴゴゴ

Whoa!
The house
is tilting
over!!

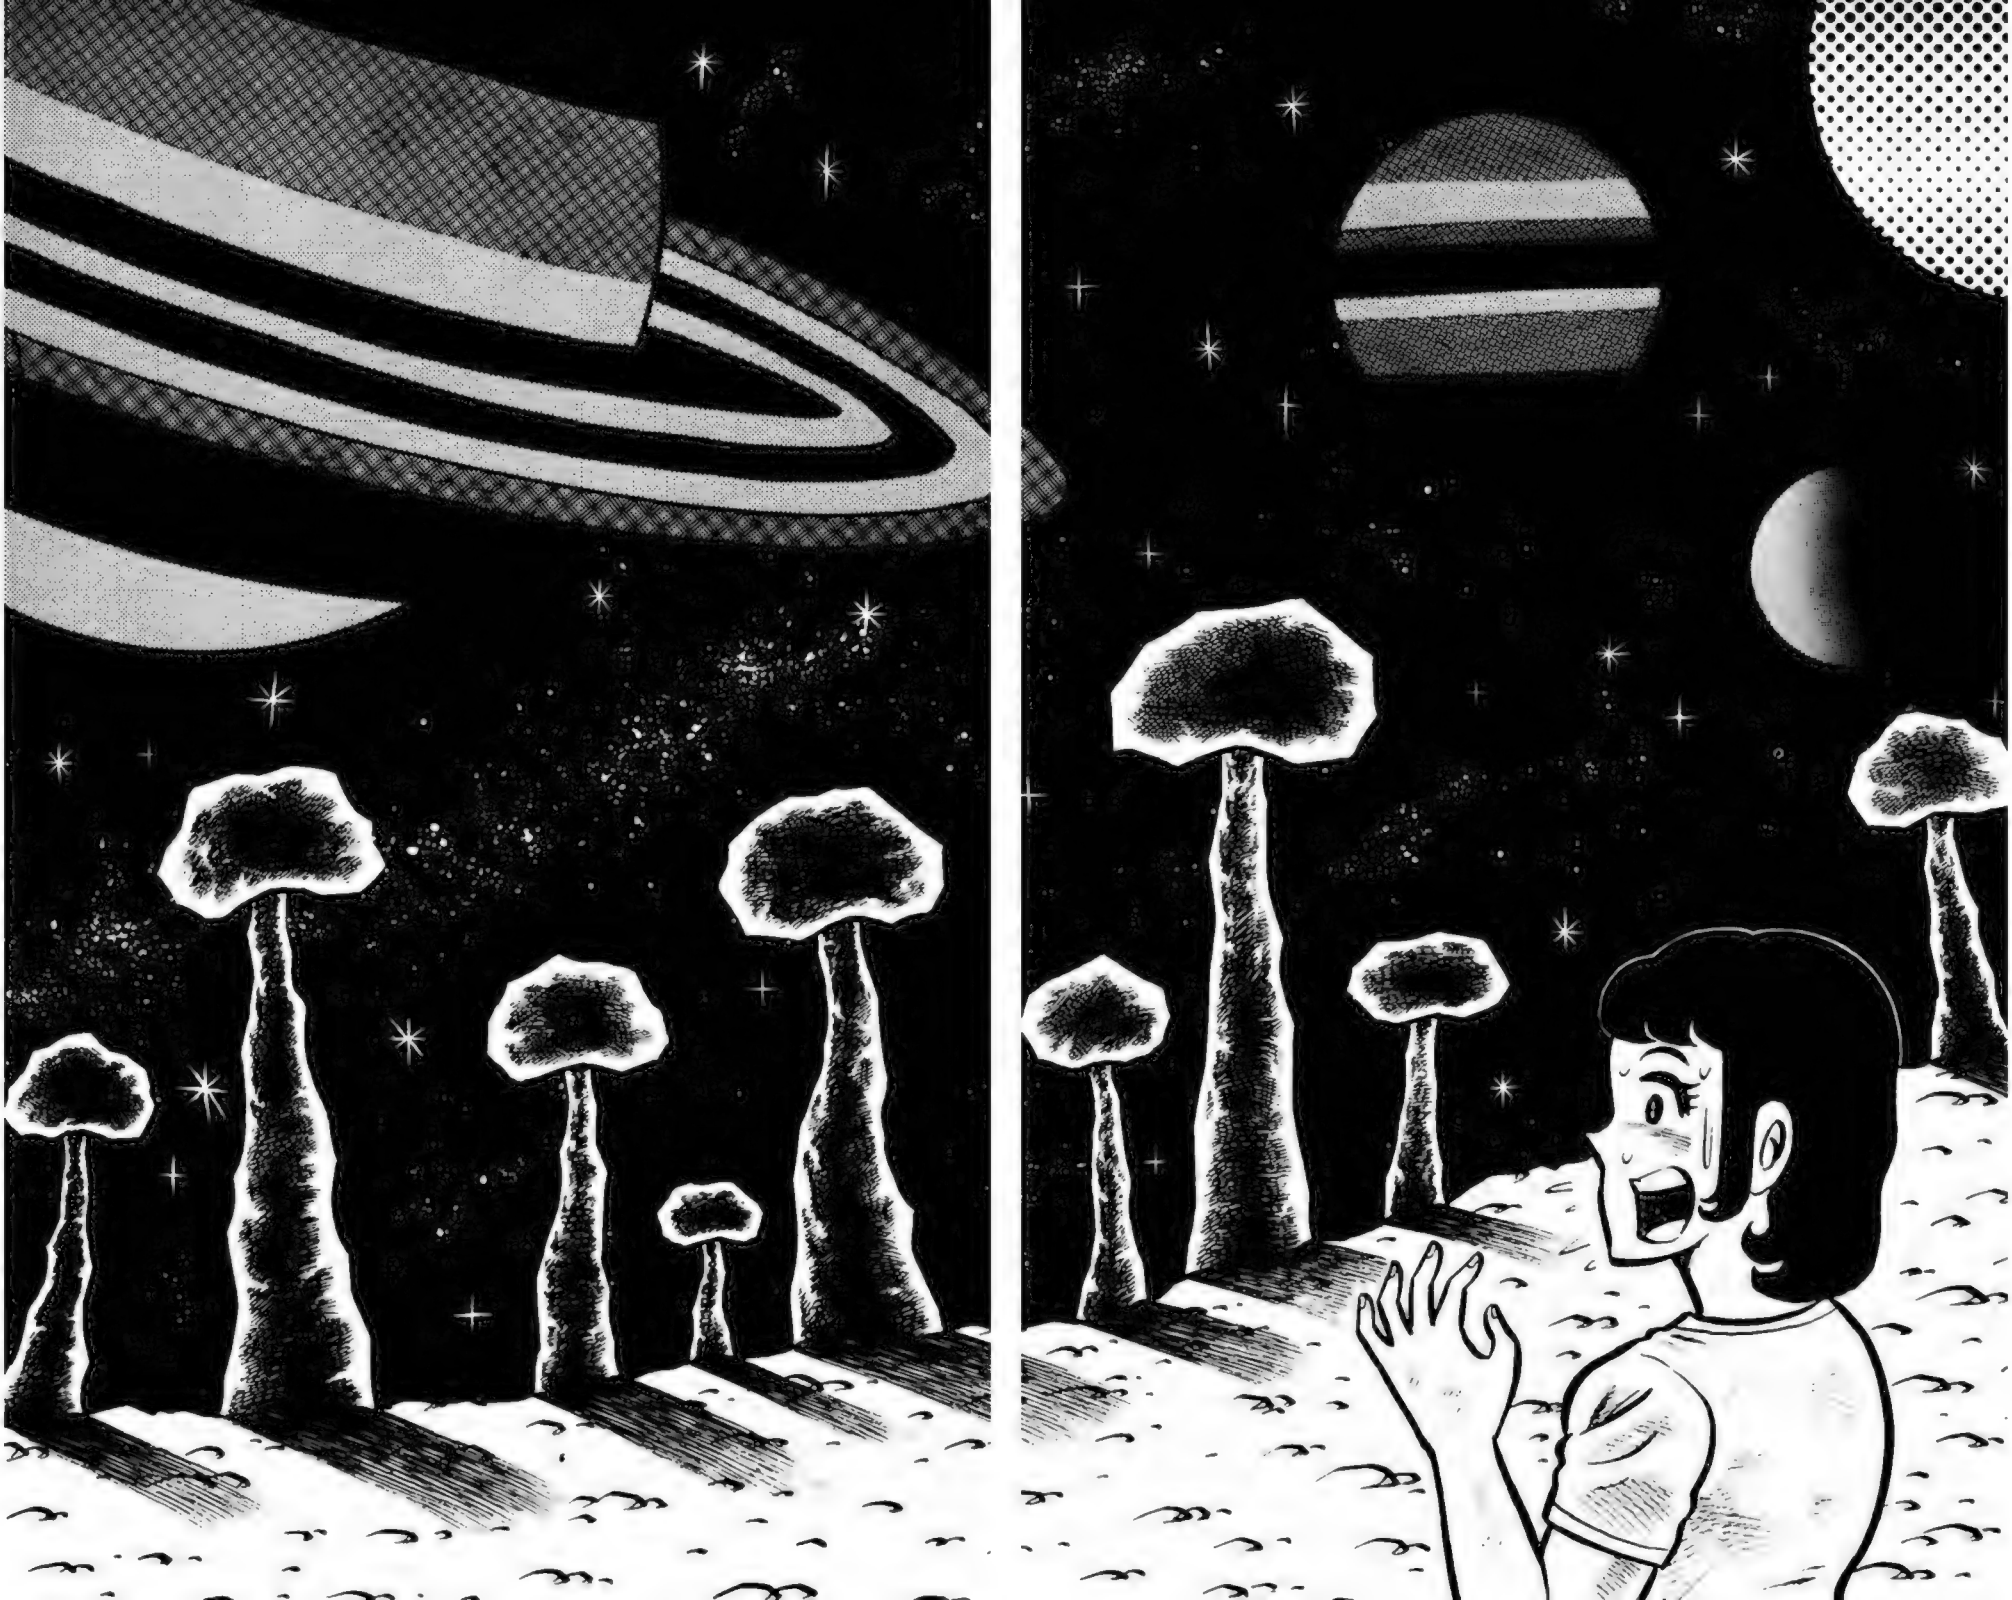
Ohhhh...!!

Oh my gosh!!

Ohhh!!



Huh?!
...
AH!



...

Haru-
kiko!!

AH!

Harukiko!
Harukiko!

Thank God you're OK!

Fuko!?

Whoa!!

Where are we?! What in world is this place!

I have no idea! I just woke up and we were here...

But where's my mom and dad?!

Yeah, I know that!

We must have all been swept up in the cosmic tsunami!

I don't know what happened to them...

It means we've all been trapped in a dimensional distortion...

Then... What does that mean...?

I don't want to lose my mom and dad...

This is just so awful!!

And how are we supposed to find our way through this place?!

Don't worry we'll find them!

There is a way to save ourselves... so we have to try!

Hey... Don't forget what the alien said...

And then they said some really weird words...

The alien said something about a legend...

Yeah... that reminds me...

I wonder what that could mean?

It was Gogora... Dodora... Or something like that...

If I remember...

How are we supposed to save the universe?!

But even just hearing those words...

Well, even if we do try and look for its meaning...

We are going to have to look for what they mean...

AH...! It's hopeless!!

Mom! Dad! I need you...!! Waaahhh!!

This is impossible!!

There's no way we can do it!

So go ahead and cry all you want! I'll go alone!

Haruhiko, you're such a coward! I'll find out on my own, if I have to!

But where do we go...?

No...I'm coming too...

We need to get moving!

Well, staying here won't solve anything!

W...wait a sec!

I'm going now, no matter what you do!

I'm coming too!!

Oh...

But, where are we exactly? Is this still Earth?

No matter how far we go, it all looks the same.

This really sucks...

Ah...

I have no idea where we are...

Well...

Oh!

Is it the s... sun...!?

It's dawn...!

And the color is much more vibrant then ours!

No way! It's way bigger than Earth's sun!

Phew! At this rate I'll turn into a mummy soon!

Ugh... It's so hot...

Lo... Look over here!

Wow!!

Pant
Pant

Pant
Pant

Look...!
Is that
water over
there?!

Wow! I'm
sure it's
like an
oasis!

Wait...do
you think we
can drink
this?!

ゴ"ッ"

Oh! It's so good!

ゴ"ニ"ー

It's just plain old water!!

I'll try it!

Gulp... Gulp...

Gulp... Gulp...

Wow, this is the most delicious water I've ever had!

Phew!

Huh?!

What in the world is that?!

Look...the forest is upside down and floating in the sky!

Is it a mirage? Either way, let's check it out!

...

It's...it's really hanging upside down!!

Well, this isn't a mirage!

AH!!

Whoa!

I'm being sucked in!

What is going on here!?

It's so creepy, isn't it...?

Ahhhh...!!

Phew...!!

Weird it actually felt more like I was falling, then being sucked in!

I'm just glad the grass is so tall it cushioned our fall!

So, where are we now?!

It looks like we landed deep inside the heart of the forest.

Well...

Huh?!

ズズズ

ズバッ

Whoa!

AHHH...!!

ズ"
ズ"
ズ"
ズ"

AH!!

What the heck are these?!

Ouch! I twisted my ankle!

I...I can't take it anymore!!

!!

...?!

Ahhhh...!!

AHHH!!

Look! It seems we weren't what it was after!

Wait! What just happened?!

Oh boy...!!

OK! Now's our chance!

pant

huff

huff

pant

huff

I...I think we'll be safe now...

That was scary! What was that thing?!

Oh my...

What now!!? It's gotten so thick, so fast!

It's fog!!

Oh no...I just hope nothing crazy is about to happen... again!

I can't see anything!

I'm right here!

Haruhiko! Where are you?!

Yeah, you're right!

We better hold hands! We can't get separated now!

OK... OK...

Follow my voice...

Well, sorry! I can't see anything!

Hey!! Careful where you put your hands!

This is no time to be joking around!

Yeah, you're just saying that! You grabbed me there on purpose!

...

mumble... mumble...

...

...

What the heck?!

Oh...

Yeah! I think you're right!

Hey, it looks like the fog is starting to lift a bit!

Wha...
I see
something!
What is
that...?!

Huh?!!

...

It's all completely trans-formed!

Everything has changed again!

Rashomon

But the letters are back-wards!

Look at that!! It says Rashomon!

I don't know...

What does it mean!?

Remember the alien said that all space, time and every dimension is warped and twisted together...and anything could happen...

I just wonder where we are?!

So that means...

Well, at least it looks like we're alone!

This place reminds me of something straight out of Japan's past. Don't it?

Well, those letters on the gate...but who really knows...

Ugh! No matter what, this place is giving me the creeps!

Yeah, and do you notice that really strange smell?

It just feels like any minute a ghost might show up!

Huh?!!

ヒヒ…

Ahhhh...!!

Oh no...!!
W-what is that coming out of the ground...!?

OHHHH!!

Whoa!! Is that a hand?!

Yikes!

Oh no... They're coming!

Let's hide over there!!

I have no idea!

Why is there a ship out here?!

Qucik let's hide!

This is all your fault, for being such a clumsy fool!

Get it together! You're a man for crying out loud!

Fear is fear, no matter how you look at it!

Well, you can say whatever you want...

Ugh! You're such a disappointment!

Yeah and while you're busy making excuses think of some way to save us!

...

LISTEN UP!

...

...

BOTH NIGHT AND DAY EXISTED IN THIS WORLD AND THE EARTH PROVIDED US WITH ALL THE FOOD AND REST WE COULD WISH FOR!

NOT LONG AGO... WE LIVED IN PEACE!

BUT, EVER SINCE THAT STRANGE NIGHT WHEN THE SKIES WERE ENGULFED IN CHAOS... WE HAVE BEEN ROBBED OF OUR NIGHTLY SPLENDOR!

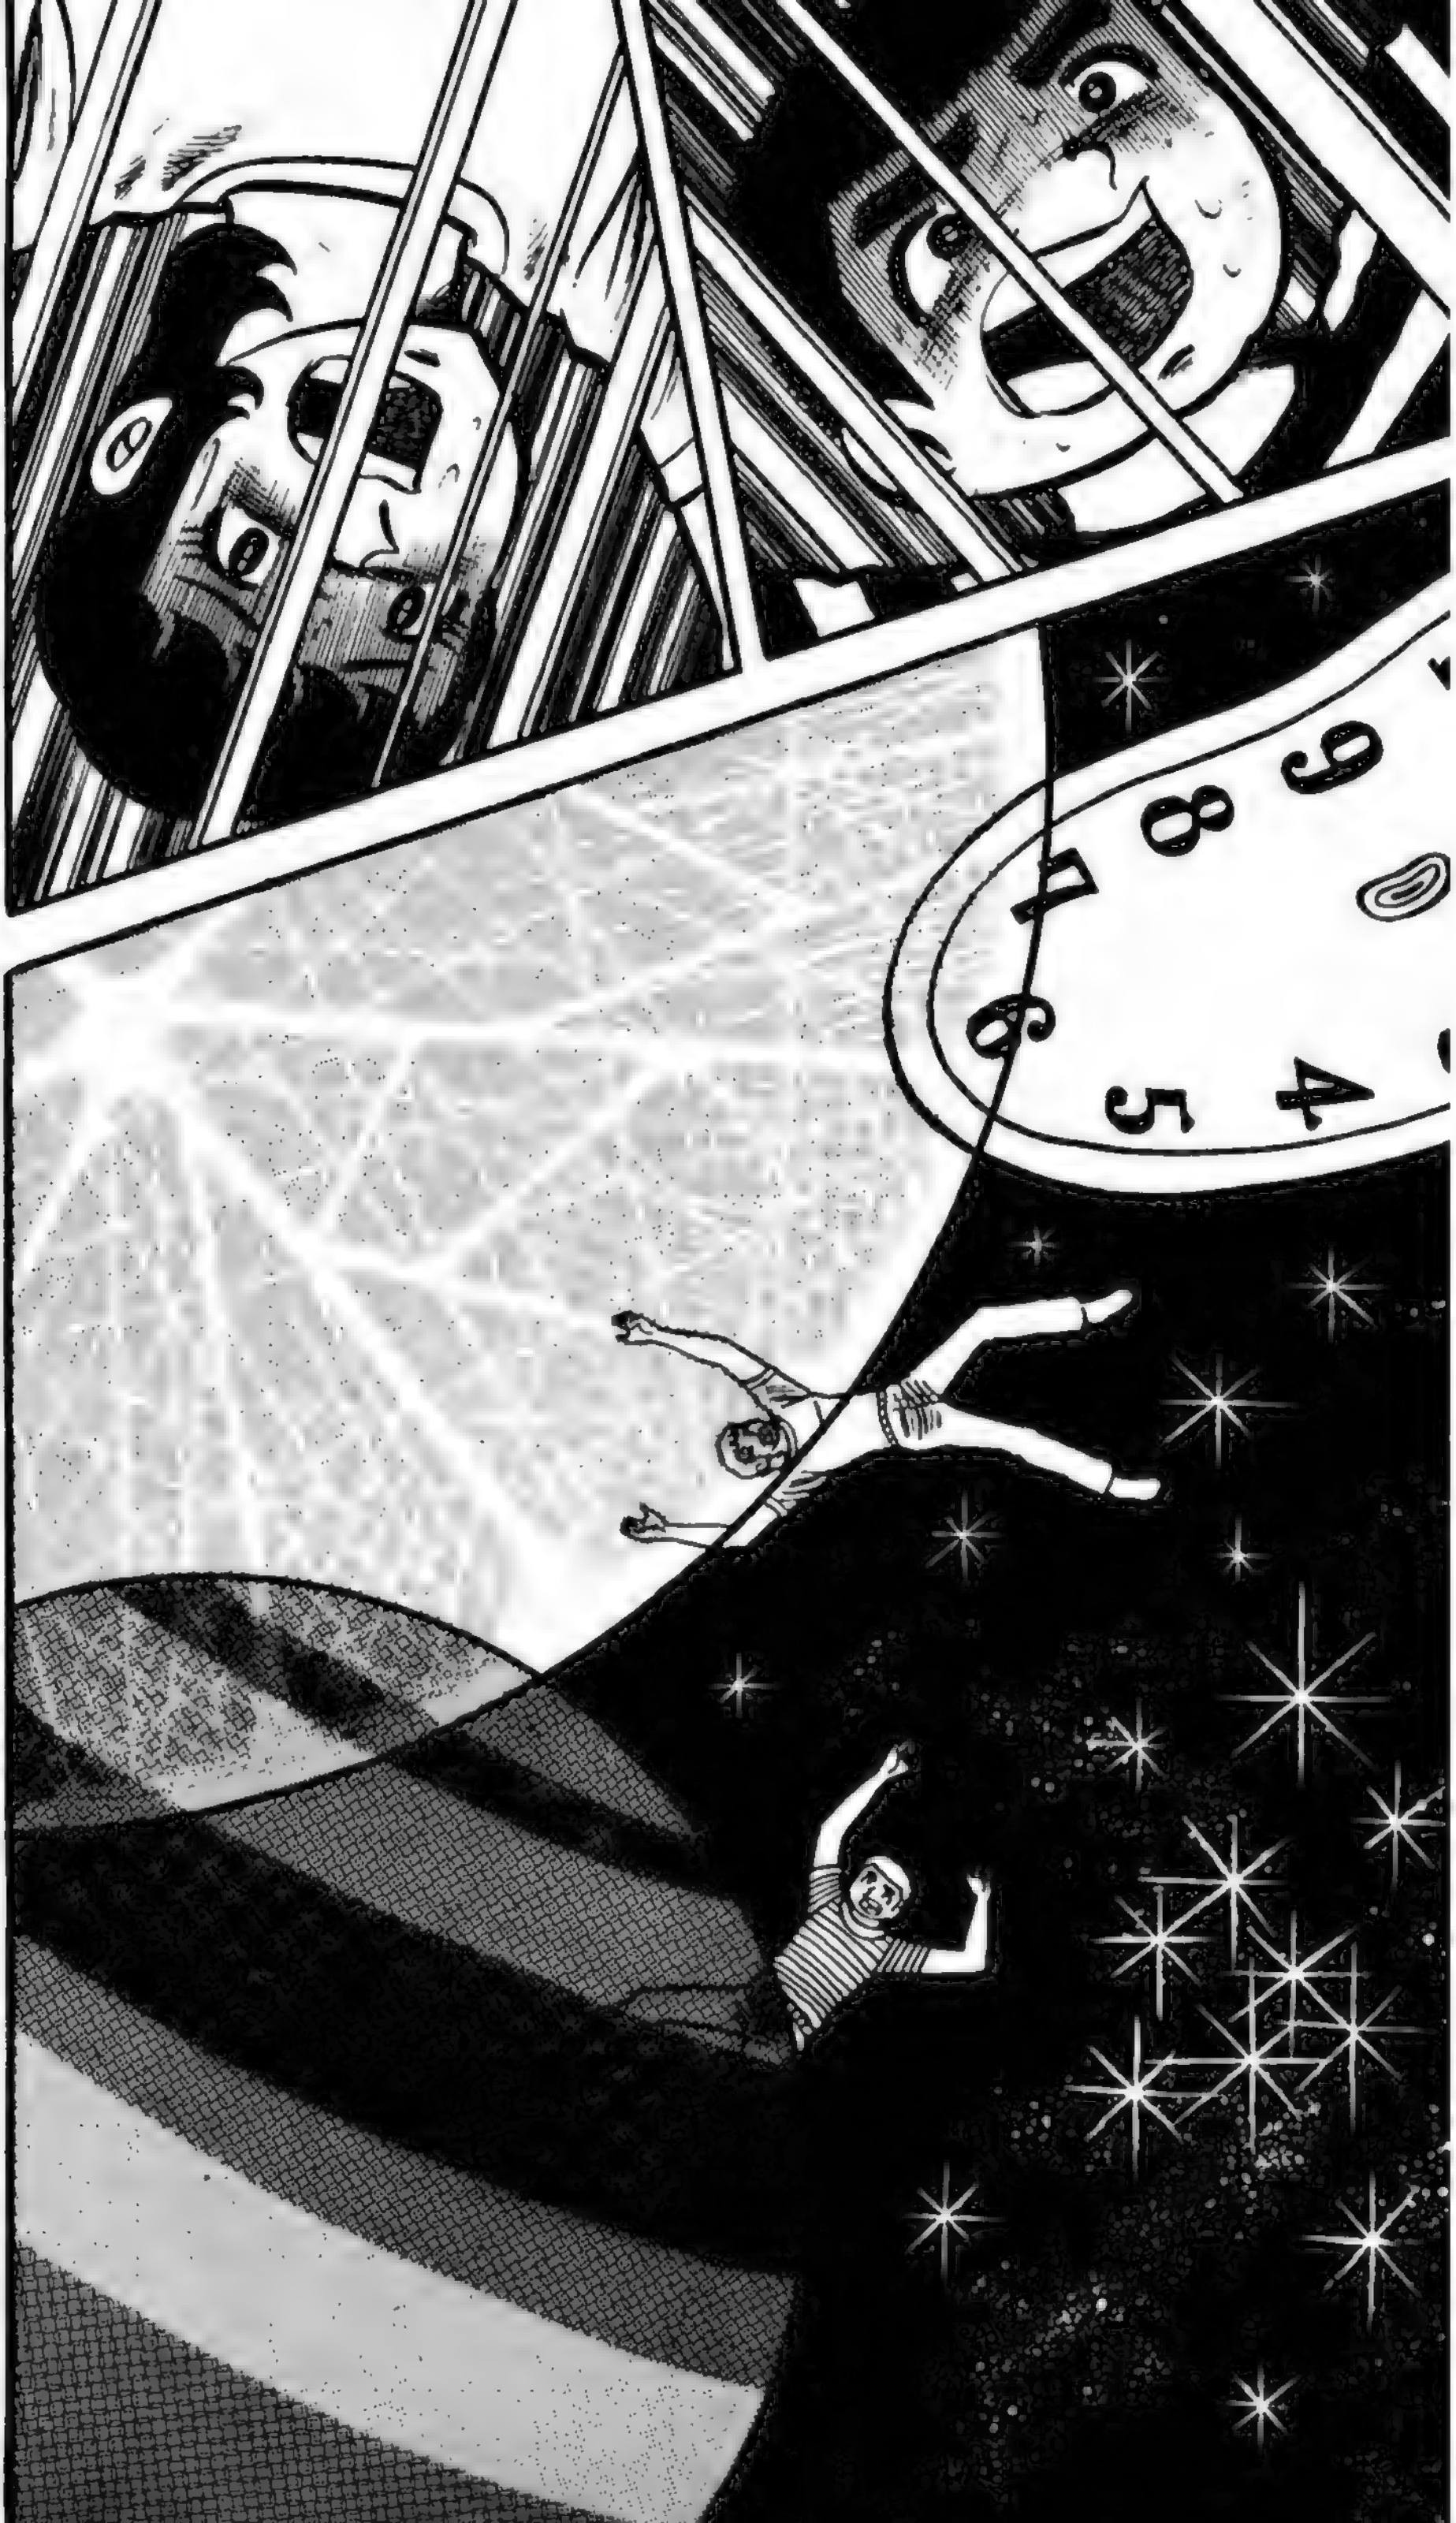
THE GOD OF DARKNESS UNLEASHED HIS WRATH UPON US! AND THREW THE NIGHT SKIES INTO THIS BOTTOMLESS ABYSS!

NOW IS THE TIME TO OFFER A SACRIFICE TO THE DARK GOD, SO THAT HE MAY RESTORE DAY AND NIGHT TO OUR WORLD!

BRING THEM HERE!

AHHH...!!

N...No!!



Huh?

Where are we?!

OHHH!!

W-what is this...?!

!!

Ah...!!

"""...

Oh! It's you from before ...!!

It's you two?!

Oh!!

The legendary duo have arrived!

Everyone come out!

...

...

ウィーン

ウィーン

In our sacred scripture.

It is written here...

Um... What do you mean by legendary?

"Be patient...soon from the 3rd planet in the milky way galaxy a girl and a boy will arrive..."

It is written in the final chapter...

"Through them, their powers will avert the great cosmic crisis..." This is a statue of those two!

We can save the universe from impending doom?

So...you're saying that the two of us...

But...we don't have any special abilities! We don't even know what to do!

Sent to Earth to bring you both here.

Exactly! This is why I was...

But this place where the statue stands, is at the very heart of the universe.

We know you do not possess any special powers.

In a way, this is sacred ground, where all the laws of the cosmos, all the energies, the spirit guiding life and the source of all matter converge...

It is said that this holy ground contains a power that combines all the powers and energy of the universe.

And with your combined spiritual power that matches perfectly with this cosmic energy, you will be able to activate the forces of this sacred ground.

"Two silver hearts, split in two that can be made whole again..."

The text of the Gogora Dodora says...

But how on earth do we combine our spiritual powers...?

There's no doubt about it!

Oh...!!

Is...is this what you mean...?

When you align the two pieces together, and point them towards the center of the statue, your powers will be activated!

This is just a birthday gift Fuko gave me...

Ha Ha...

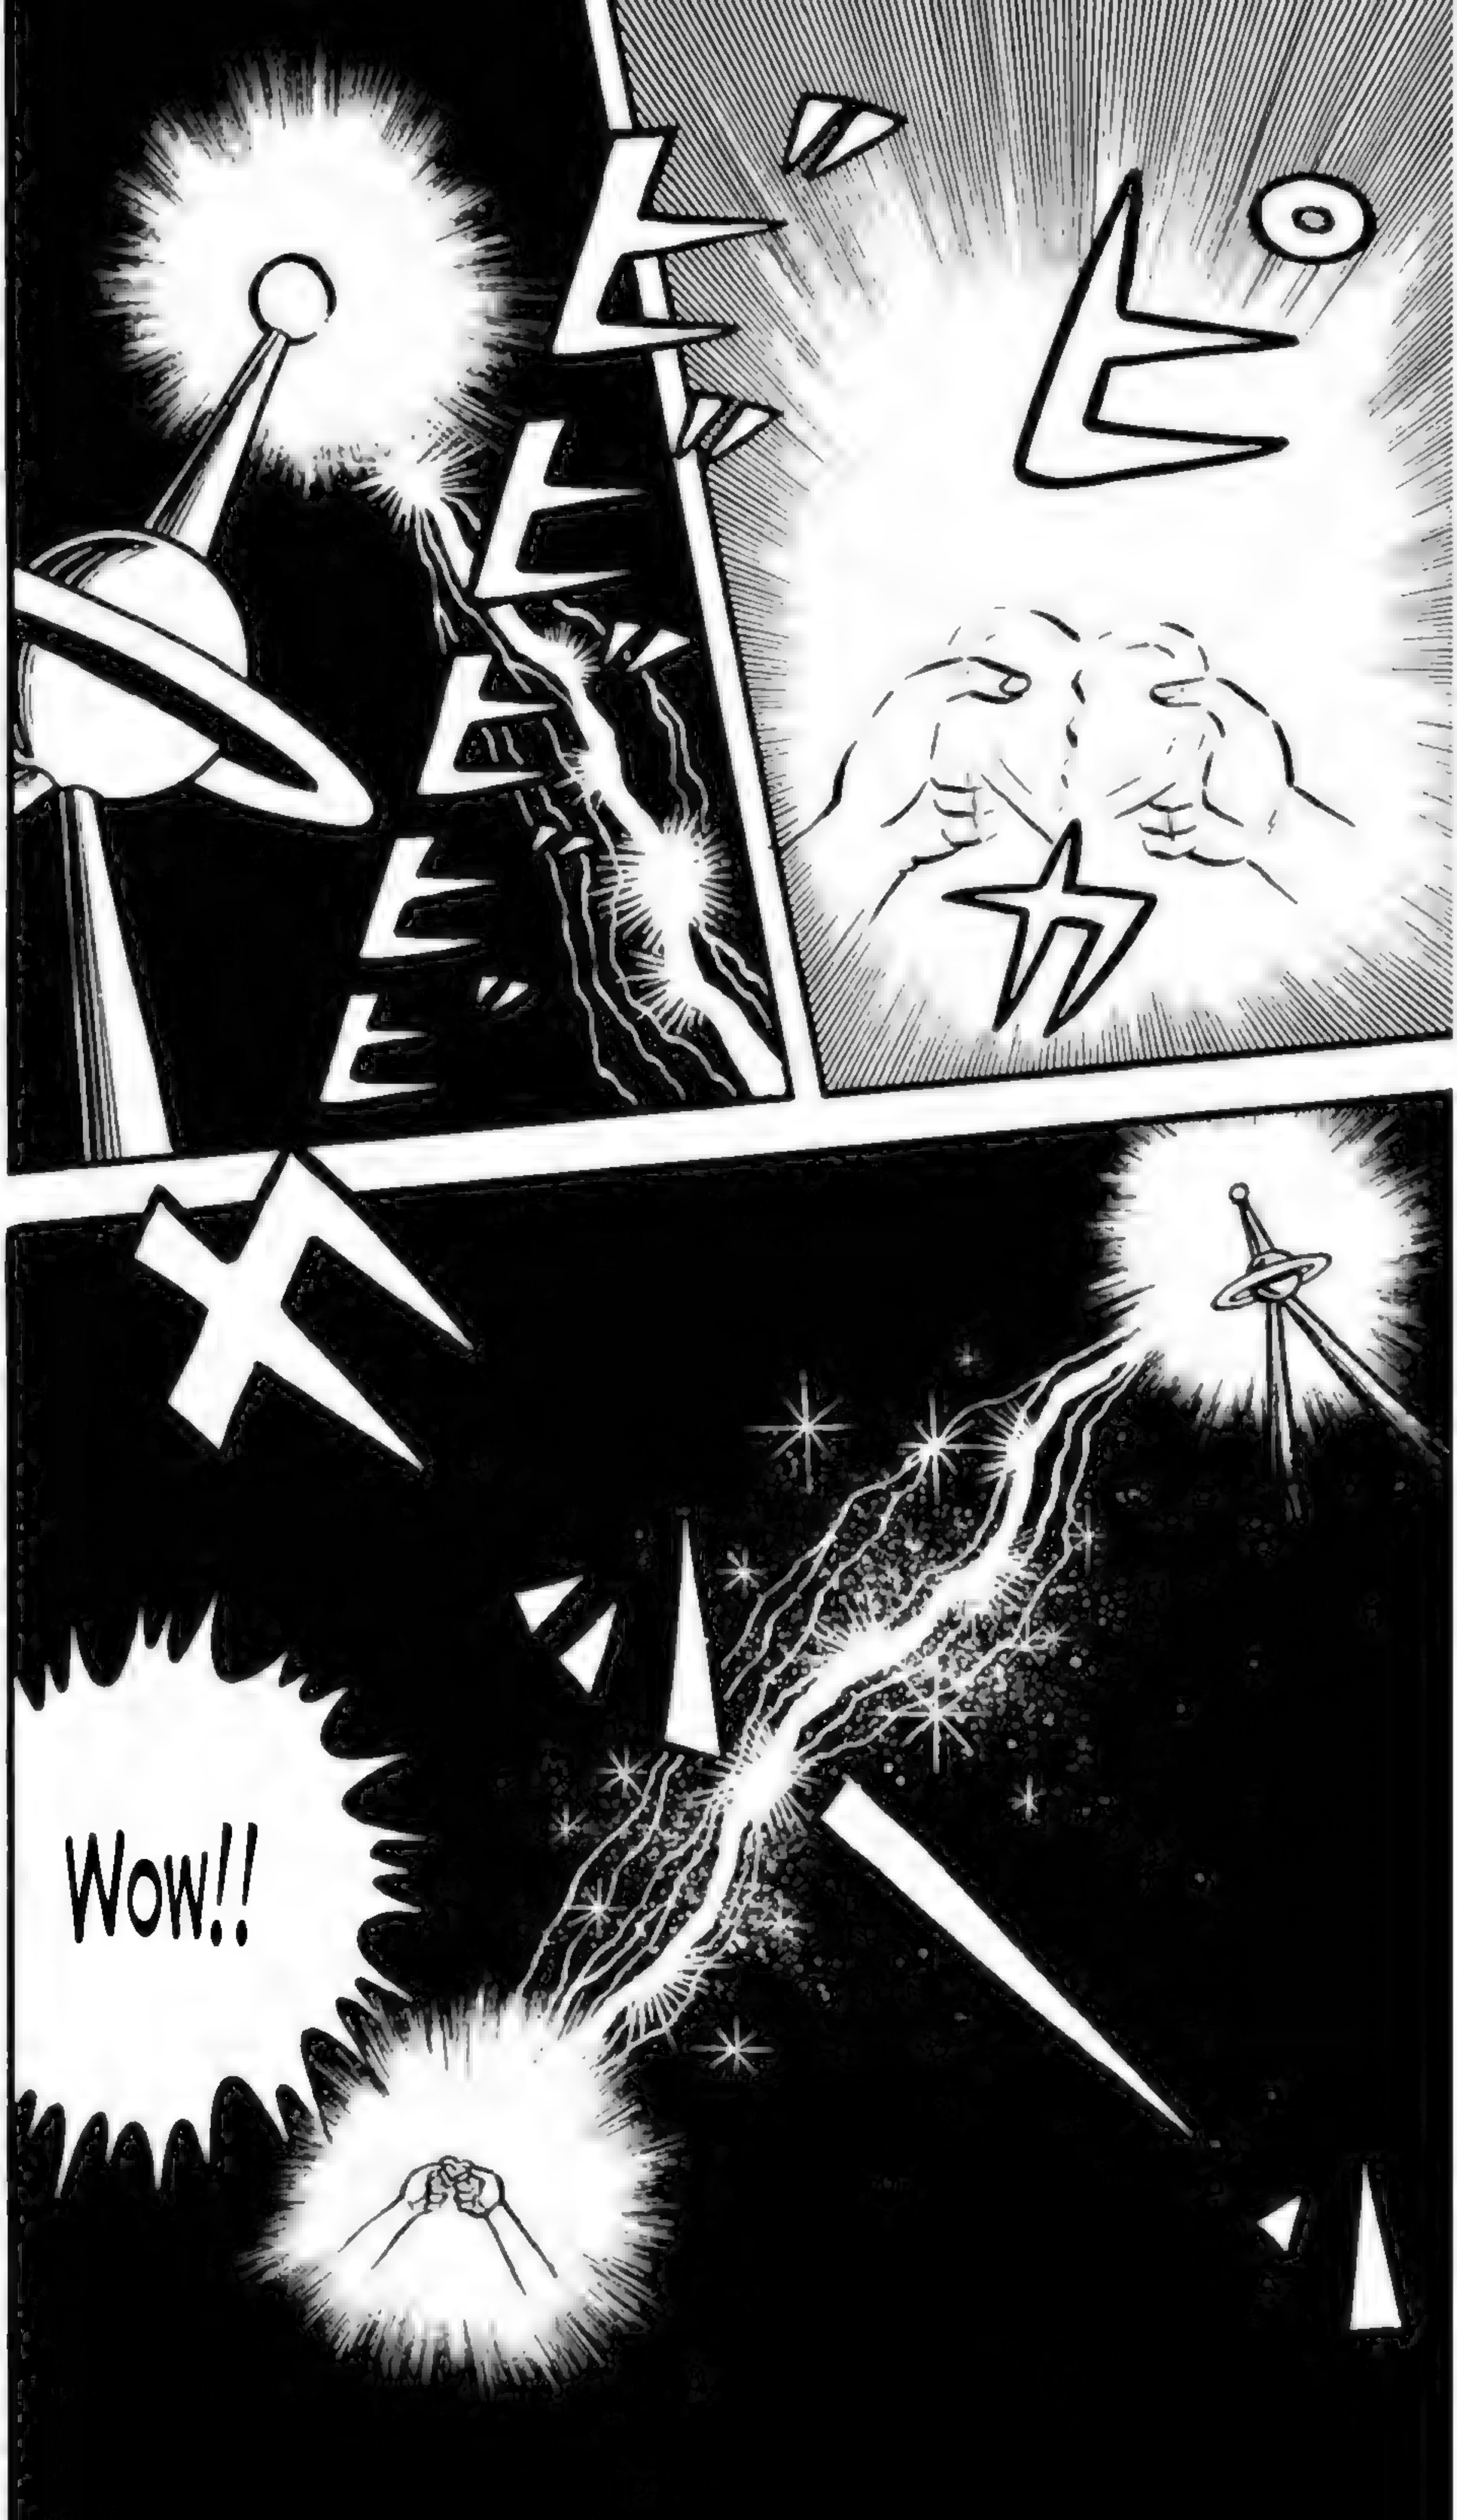
Really? This is it?

Now is the time to save the universe from disaster!

Please! You must do this!

Ha Ha... Like this?!

O-OK...!!



Wow!!

Oh!! It's
so bright!!

...

Oh... what the...?!

Hey, what the heck are you doing? Stop acting stupid!

...

It was like a bunch of UFO's...

Hey! Did you see those incredible lights in the sky, just now?

Don't be ridiculous! You think I wouldn't see something like that?!

I feel so strange...my head is pounding...

Oh...I can't remember anything...

I went through a lot of trouble to find Saturn and you messed it up!

Seriously! What are you even talking about?!

I was adjusting the telescope...

Wait, that's right...

I swear I'll never show you my telescope again!

Damn it! Are you really going to play dumb! Huh?!

What do you mean "that telescope"?! I saved my allowance for a long time to buy this!

You complain too much! You've been nagging me about that telescope for a while now...!!

Well, don't come crying to me tomorrow when you're in trouble in class!

Well fine! You're always so busy staring at the sky, you probably forgot to do your homework! Right?!

There are plenty of girls who like me, you know...?!

Ha! You know you ain't the only person who can show me their homework!

Ah, shut up!!

What!? When did I ever say I liked you Haruhiko!

Hmph! Fine by me!

Beg all you want, I'll never show you my homework again!

...

Huh... My pendant is getting so hot...

I wonder...

Yet, the universe had been saved from disaster...

The night sky was quiet and serene as always... And Fuko and Haruhikp didn't remember anything...

THE END

Through their unyielding spirit and their powerful bond of love...
